1. A copy of this permit shall remain on site at all times during the burn.
2. Burning shall be commenced and conducted only when wind direction and other meteorological conditions are such that smoke and other pollutants will not cause adverse effects to any public road, landing strip, navigable water, or off-site structure containing sensitive receptors.
3. If at any time the burning causes, or may tend to cause, smoke to blow onto or across a road or highway, it is the responsibility of the person initiating the burn to post flag-persons on the affected roads and then make the necessary corrections to prevent the occurrence, which may include extinguishment of the burn.
4. Burning must be conducted downwind of or at least 300 feet from any structure.
5. Burning shall be conducted only between the hours of 9:00 AM to 4:00 PM unless waived by the fire official having jurisdiction.
6. Burning shall be conducted only on the days of Monday through Friday. No burning on holidays.
7. Pile size will be limited to 10 feet in circumference and 6 feet in height, unless waived by AHJ.
8. Burning shall only commence when the surface wind speed is predicted to be between 6 and 15 MPH.
9. Burning shall not be conducted during periods of actual or predicted persistent low level atmospheric temperature inversions.
10. **Burning shall not commence until notification is made to the fire official Chad Wester. Decisions regarding the allowance of the burn on the day desired will be made by the fire official or their designated representative and shall be final.**
11. The burning operation shall be constantly attended by an adult.
12. A form of fire suppression must be located on the property where the burning is conducted.
13. **THIS PERMIT EXPIRES 30 DAYS FROM ISSUANCE**
